MISS LIL JETER DIES IN MARLIN MONDAY

(From Monday's Daily)

Miss Lil Jeter, 49, critically ill for weeks in the Torbet Sanitarium in Marlin died there at 6 a. m. Monday October 27, 1941.

The body was returned to Cameron by the Marek-Burns Funeral Home Monday morning and funeral services will be held from the family residence Monday morning.

Member of a prominent Cameron family, Miss Jeter will be mourned by thousands who knew her for her religious, civic and social activities. She is the daughter of the late Mr. and Mrs. W. M. Jeter. Her father founded the Jeter Lumber Comany in Cameron which was successfully operated by her brother Roy P. Jeter, who died suddenly several years ago.

Mr. Jeter, the founder of the Lumber Company and father of deceased, died more than 25 years ago and the mother, Mrs. W. M Jeter, several years ago.

She is survived by 3 sisters: Mrs. W. O. Newton, Miss Beth Jeter and Miss Mabel Jeter, all of Cameron.

Two nephews, John Jeter and Roy Jeter, both with the Jeter Lumber Company in Cameron survive.

For years Miss Jeter had been a moving spirit in the affairs of First Baptist Church in Cameron and had done religious work for a long period of time. She became ill several months ago and recently returned home and there was some hope for her recovery, but her condition became critical several weeks ago following an operation. She was unable to take nourishment effectively for several weeks and her condition grew steadily worse with a crisis Sunday which she was not able to survive.

Miss Jeter was a graduate of the Baylor Seminary of Fort Worth which is headed by Dr. Lee R. Scarborough, whose first pastorate was the Baptist Church in Cameron.

The Jeter home is a large two story mansion type house, situated in the nothern part of he city and from this home on Tuesday afternoon the funreal will be held. Rev. Vernon G. Miles, who is now Pastor of the First Baptist Church in Hillsboro and former Pastor here, will conduct the services. Interment will be made in Oak Hill Cemetery with Marek-Burns directing arrangements.

Paul bearers will be her nephews: Barclay Jeter, John Jeter, Roy Jeter, Joe Newton, Frank Newton and Oliver Newton.

MRS. W. L. LUTNER DIES IN OKLAHOMA SUNDAY

(From Monday's Daily)

Mrs. W. L. Lutner, 81, a native of Milam county and widely known Cameron resident, died at the home of her son, Dr. Thos. R. Lutner in Lawton, Oklahoma, at 1 a. m. Sunday, October 26, 1941.

Mrs. Lutner was one of the oldest resi[illegible]nts of Cameron and continued to make her home on South Crockett following her late husband's death and during the period in which she reared her family of 4 children.

She was a faithful member of the First Baptist Church and devoted much of her time to church work.

The family name has been identified with progress in Cameron for many years. News of her death was received here with genuine sorrow from all of the older residents of the city and others who had known Mrs. Lutner and her family. During recent months, due to her advanced age and declining health, she was seldom seen except on visits to the business area, but was cheerful, kind and considerate of her friends who delighted to visit in her home.

Funeral services will be held in Cameron at 3 p. m. Tuesday, October 28, 1941, from First Baptist Church with Rev. C. W. Sanders, pastor, officiating. The body will be at the Green Funneral Home prior to the funeral hour and will be taken to the church. The Green Funeral Home will direct arrangements.

Mrs. Lutner left her home in Cameron to visit her son, Dr. Thomas R. Lutner in Lawton, Oklahoma, several weeks ago and became ill while at the home of her son, the only surviving member of the family. Three grand children survive.

The body will arrive in Cameron sometime Tuesday.

5 Jerseys Taken From Yoemen Line

Five jerseys were stolen from the wash line at the gymnasium Saturday night and Coach Carroll Wood is anxious to obtain information leading to recovery.

The jerseys were to be worn in the game with Killeen Friday night. Numbers taken were: 41, Salach; 43, Torno; 39, Terry; 31, Michalka; and 35, Tindall. Anyone having information as to the whereabouts of these sweaters should communicate at once with Coach Wood.

In connection with the game at Killeen on Friday night local fans should remember that the time for beginning is 7:45, fifteen minutes earlier than games in Cameron.

Former Cameron Girl Is Hurt in Wreck; Companion Killed

Miss Dona Weaver was instantly killed in a car wreck near LaGrange Sunday, October 26, and her companion Miss Elois Lively was severely injured.

Miss Lively is a former student of Yoe High School. They were returning to their home in Houston from Austin. Miss Lively sustained a broken collar bone and severe bruises and cuts.

Miss Weaver, who was driving the machine, was instantly killed. The young women graduated at Rogers High School, later attending the University of Texas.

Mr. and Mrs. Charlie Lively and son Calvin of Bryant Station are in LaGrange with their daughter and sister who is reported to be recovering

Miss Lively is a niece of Mrs. C. Hub Slone of Cameron and H. H. Bryant of Temple. Reports late Tuesday indicated Miss Lively's injuries were more severe than were first known and her progress will be slow.

Frank Newon Gets His Wings at Moffett Fied Will Be An Instructor

Moffett Field, Oct. 28.—Winning his wings as a member of the United States Army Air Corps is Frank M. Newton, 25, son of Mrs. W. R. Newton, Sr., 506 Jefferson Avenue, Cameron.

Newton completes his basic flying here today with a class of approximately 170 aviation cadets, and is to report next week to the Air Corps advanced flying school at Phoenix, Arizona., for the final 10 weeks of training before receiving his commission as a second lieutenant.

Upon receiving his wings and commission in the Air Corps Reserve, he will be assigned to an Air Corps tactical unit or to an Army flying school as an instructor.

Today's graduation from the Moffett Field Air Corps Basic Flying School marks completion of 20 weeks of Army Air Corps pilot training for Newton, who came to this field Aug. 18 after primary training at the Ryan School of Aeronautics, Hemet, California.

He is a graduate of Yoe High School and later studied at Schreiner Military Institute and the University of Texas. He is a member of Delta Theta Phi, legal fraternity.

JOHN L. LEWIS AGREES TO RE-OPEN COAL MINES

John L. Lewis, No. 1 labor racketeer and political power, today agreed to proposals made by President that the captive coal mines be re-opened pending negotiations for a settlement of the dispute.

It was the biggest development of the day on the American front where the Roosevelt labor policy was regarded as having encouraged radical elements.

The President in his address Monday night said the mines must be kept open.

FAIRMONT TO OPEN TURKEY SEASON SAT.

The Fairmont Creamery Company announced today that they would open the turkey season on Saturday November 1.

The plant in Cameron which has been in operation for a number of years is well equipped and turkeys will be packed and shipped from this point to the markets.

D. Bryan, local manager for the company, said that the highest possible prices will prevail at his plant during the turkey season and the Milam county crop is believed to be above average this year.

The company onnounces an expansion to bring Milam county into the lime light as a large producer of poultry. An extended account of this plan will be published Friday.

The Company is well prepared to take care of turkeys. At prevailing prices the crop will bring considerable revenue to farmers and this will be felt in business circles.

The Company will employ a large number of people during the turkey season which begins on Saturday.

Athletic Council Turns Down Plan For Special Train

The Cameron Athletic Council rejected the suggestion made by citizens for a special train to Killeen Friday night.

Reasons were announced Thursday morning by J. R. Hays, President, who said that the Council could not see its way clear to guarantee the railroad company 250 tickets to get an 85c fare; that the train could not leave Cameron in time for the game if people in the stores wanted to go and another reason and perhaps the controlling one is that Cameron only gets $40 out of the game.

C. P. BOLLINGER BURIED IN CAMERON MONDAY

Funeral services were held here Tuesday for Clint P. Bollinger, 52, son of Mrs. A. E. Bollinger and brother of Mrs. Leemon Wilson of this city. Mr. Bollinger died in Houston suddenly Monday morning after a brief illness.

A native of Cameron, Mr. Bollinger was connected with the police department in Jacksonville for 17 years until moving to Houston two years ago.

Services were held at the Marlow Baptist Church where he had been a member for 30 years.

Surviving are his wife and two daughters, Mrs. Ralph Moseley of Houston, Mrs. Bob Hunter of Corpus Christi, two grand children of Houston; mother, Mrs. A. E. Bollinger of Cameron, four brothers: Sam of Jacksonville, George of Baytown, Randle and Walter of Cameron; two sisters, Mrs. Lettie Smoots of Jacksonville and Mrs. Leemon Wilson of Cameron.

Hallowe'en Preview Friday Night

"Spooks Run Wild" with Bela Lugosi and Leo Gorcey has been booked by Stanley Swift as a midnight preview for Hallowe'en at the Cameron Theatre.

The show will open at 10:45 Friday night, October 31.

Mr. Swift is providing this entertainment for Hallowe'en, a policy of the Cameron Theatre, to accomodate the demand on feastive occasions.

RAT POISON HERE; MUST BE CALLED FOR SOON

Poison for the anti-rat campaign has been received here.

The poison is mixed with meats and will spoil. All those who have ordered the poison should call for it at once

The business district has been canvassed and Thursday the first results of the campaign was evident when drunk rats began to come out of their hiding.

Mr. and Mrs. Frank Adams of Jackson, Miss., were guests of her brother, Judge Jeff T. Kemp and wife for two days this week. Mr. and Mrs. Adams formerly lived in Cameron

JESSIE JAMES

MILAM COUNTY MAN IN HIGH STATE POST

Jesse James of Milam county, was appointed State Treasurer Saturday by Governor Coke R. Stevenson to serve the un-expired term of Charley Lockhart, veteran state treasurer.

In his letter to Mr. James naming him State Treasurer, Governor Stevenson said that Mr. Lockhart had been obliged to leave the office due to ill health.

Mr. Lockhart, unique among state officials throughout the United States, has been treasurer for many years. Exacting duties of the office have taken a toll of his energies and he plans a long vacation by auto through the country to regain his strength.

News of the appointment of Mr. James was received in Cameron with wide approval. He has been chief clerk in the department since 1938 when he retired from the office of Flotorial Representative for District 64.

James, a native of Thorndale in Milam county, grew up on a farm. Early in life his father died and he became the breadwinner for the family. Resonsibility in those years of his early youth gave him the stern determination that has carried him to one of the most important offices in Texas.

Taking over farm duties, James went to work. In a few years he felt he should improve his lot and that of his mother and younger brothers and sisters. He purchased a drug store and cold drink business in Thorndale. He made friends wherever he went. His business was a success. Against the day of opportunity, when it came, James, admiringly "Jessie" to his friends, had stored up a reserve of good will among his people and when he announced for Representative from the 64th District composed of Milam, Lee and Burleson counties, his election was never in doubt.

As an influential member of the House while Coke Stevenson was Speaker, Mr. James was placed on the powerful Taxation Committee and there he wrote much of the state's tax legislation in those days. It was James who brought about the first major appropriation for the Old Age Pension fund in Texas.

He comes to the post of State Treasurer with a background of experience.

MRS. E. A WALLACE DIES IN TEMPLE HOSPITAL

(From Monday's Daily)

Mrs. E. A. Wallace died in the King Daughter's Hospital in Temple at 9 p. m. Monday, October 27, 1941.

Mrs. Wallace had been in the Temple Hospital for treatment for several weeks. Her condition became critical on Sunday although she had been very ill for days prior to her death and little hope was held for her recovery.

News of the death of Mrs. Wallace was received in Cameron early Tuesday by friends and neighbors who were profoundly shocked and sorrowful over her passing.

The body was taken to Rockdale the old home of the Wallace family before they moved to Cameron. Mrs. Wallace, however was born in Cameron but the Smith family moved to Rockdale where she was reared and where she married E. A. Wallace, noted Texas lawyer who now engages in practice in Cameron.

Funeral services will be held from the Funeral Home of Phillips and Luckey at 2 p. m. Wednesday, Oct. 29 and interment will be made in the Odd Fellows Cemetery in Rockdale where a daughter is buried.

Mrs. Wallace was the former Miss Daisy Smith. She attended the famous Salado College located at Salado in Bell County, a famous school not far from where the E. Sterling C. Robertson home is located.

Mrs. Wallace is survived by her husband E. A. Wallace, lawyer of Cameron; two sons, William C. Wallace, lawyer, engaged in practice as a partner with his father in Cameron, and also City Attorney of Cameron. He recently was discharged from the army at Brownwood where he completed his training as a volunteer. The other son, John H. Wallace of Cameron, who spends considerable time in New York and is a student of Dramatics.

Two daughters Mrs. Paul F. Jones of New York City, a widely know sculptress; and Mrs. Dan Collins of of Livingston, Texas, who was the former Miss Eugenia Wallace. There are four grand children.

Two sisters: Mrs. R. W. Huie, Jr., of Arkadelphia, Arkansas, and Mrs. J. G. Vest of Houston.

GIRL SCOUT WEEK IS PROCLAIMED BY MAYOR

Mayor Charles C. Smith has issued a proclamation proclaiming Girl Scout week from October 27 to October 31 as follows:

To All to Whom These Presents Shall Come:

Whereas, the week of October 27th through October 31st, 1941, has been set aside throughout the nation as Girl Scout Week, and

Whereas, this time is in commemoration of the birthday of Juliette Lowe, founder of the Girl Scout Movement, and

Whereas, it is fitting and proper for the city government to pay tribute to the great work that is being done throughout our land and in our city by those engaged in Girl Scout work, and

Whereas, the work of the Girl Scout Movement in developing girls for places as citizens in our community should be recognized and encouraged and given complete cooperation;

Now, Therefore, I, Charles C. Smith, Mayor of the City of Cameron, Texas, do hereby set aside and proclaim the week of October 27th—31st as Girl Scout Week, and urge that it be fittingly observed in our City, State of Texas.

In Testimony Hereof, I have hereunto set my name officially; and caused the Seal of the City of Cameron to be impressed at Cameron this the 27th day of October, A. D. 1941.

C. C. SMITH, Mayor.

Miss Allie B. Williams of Rosebud became the bride of James T. Harris of Cameron, now stationed in Marfa, Saturday night at 7 p. m. at the home of Judge Jeff T. Kemp, with Mr. Kemp performed the ceremony.

The couple will make their home in Cameron.

Walter Yoakum of Sandy Creek obesrved his 69th birthday Monday.

MERCHANTS PLEASED OVER GOOD NEWS

The Food Stamp deal for Milam County will be in operation beginning January 1, it was announced here Wednesday by Emory B. Camp, Chairman of the Committee from the Chamber of Commerce.

Mr. Camp and his committee were in Dallas Tuesday confering with Federal authorities and were assured that the stamps would be available to be issued January 1.

The stamp deal was scheduled to be put into operation in April but was delayed for unknown causes. Unless the Federal government discontinues the apropriations by which this method of administering relief and compensation, Milam County will have the stamp deal beginning January 1, 1942.

The Chamber of Commerce has worked hard for this deal for Milam County with the co-operation of the Commissioners' Court and the merchants. Its chief benefits are that merchandise dispensed by relief and other agencies may be purchased through the medium of the stamp and thus business accrues to local merchants.

MISCELLANEOUS SHOWER

Mrs. Elo Werland of Burlington was hostess to a miscellaneous shower at her lovely home on Wednesday at 2 p. m. honoring Miss Allene Weid, bride elect of Joe O'Neill.

The home was decorated in a Hallowe'en theme with black cats in the draperies and pumpkins on all the tables. Different colored flowers were used. The bride's chair was decorated in orange and black crepe paper. Games were played and prizes were won by Mrs. Henry Litzman which were two ruby glass ware candles and a sunflower of choir gifts and clothes pins. These were later presented to the bride.

Viola Weid, cousin of the bride, presided over the bride's book which was a lovely affair with the cover being made of a pumpkin with a black velvet cat above and pages of orange and black. 120 guests were registered in the book.

A huge barrel covered with crepe paper in the form of a pumpkin was filled with gifts and the bride was led to the room in which it was located. She received many beautiful and useful gifts.

Refreshments of chicken salad sandwiches, potato chips, pickles, cake and hot chocolate were served. Plate favors were Hallowe'en affairs with "Allene and Joe, November 6" written on them.

COTTON GINNING REPORT

Census report shows that 13,154 bales of cotton were ginned in Milam County, Texas, from the crop of 1941 prior to Oct. 18, 1941 as compared with 19,348 bales for the crop of 1940.

Very respectfully,
Ray O'Neill, Special Agent.

J. M. Burney of Gause was a Cameron business visitor Tuesday.

Mrs. Simmy Burns of Austin was here for the funeral of Miss Lil Jeter.

CHRISTIAN SCIENCE SERVICES

"Everlasting Punishment" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 2.

The Golden Text is: "Righteousness exalteth a nation: but sin is a reproach to any people" (Proverbs 14:34.)

Among the citations which comprise the Lesson-Sermon is the following from he Bible: "Verily I say unto you, Except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven" (Matthew 18:3.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Mortals move onward towards good or evil as time glides on. If mortals are not progressive, past failures will be repeated until all wrong work is effaced or rectified. If at present satisfied with wrong-doing, we must learn to loathe it. If at present content with idleness, we must become dissatisfied with it. Remember that mankind must sooner or later, either by suffering or by Science, be convinced of the error that is to be overcome." (page 240.)

Lieut. Gillis Wires He Will Reach City Late On Saturday

(From Saturday's Daily)

Lieut. William G. Gillis now at Ft. Benning, Ga., early Friday sent a wire to his father, Judge Graham Gillis, that he is on his way home.

Lieut. Gillis left the post at Fort Benning, around noon and is coming to Cameron by way of New Orleans. Judge Gillis saw a bit of foresight in the telegram. Lieut. Gillis said he would be at home for supper Saturday evening.

After his graduation from West Point with a brilliant student record, he was married in Junction and reported to Fort Benning for training. While no information was received here, it was believed he may be on his way to Fort Sam Houston for permanent assignment in the army.

42 LEISURE CLUB

On last Tuesday night, Mesdames E. J. Kahler, Edwin Adams and John Matyastik were co-hostesses to a party for the 42 Leisure Club members and their husbands at Cato's Coffee Shop. The decorations were carried out in a Hallowe'en theme with each member wearing a costume.

Entertainments were 42 and dancing. Prizes were awarded to women: Mesdames P. L. Bergum, Herman Boedeker, Jr., and L. F. Slama. Men's prizes were awarded to Arnold Juergens, H. L. Dakel and Henry Dryer.

Refreshments were apple pie and coffee.

ADMIT WINTER BEATS THEM OUT OF VICTORY

Winter Friday had broken up the German thrust at Moscow and the Soviet armies, counter attacking under new leadership, had beaten off the Nazi's supreme attempt to take the Red capital.

The Russians said that the Germans would never take Moscow and that new armies are being assembled to meet the Nazi.

In Berlin the German General Staff communication entirely confirmed Russian views by stating that the weather is so bad no progress can be made and Moscow can not be taken until the snow and the rain stop. News commentators were quick to say that the rains and the snow will stop only when spring comes. So after more than 21 days in which the Germans have lost more than two hundred thousand soldiers killed Moscow remains in the hands of Stalin.

The British are anticipating a German attack in the near east and are said to be prepared.

Lesovosky, firey tounged Soviet leader in a special broadcast to the world said that the Ressian armies are in no wise discouraged; that German successes are only temporary and the Soviet is preparing to carry on for years and predicted final victory for the Reds.

In England the British people continued their demand for action against Germany and are pleading for an invasion of Italy. To these pleas the politicians have turned a deaf ear and there seemed no prospect that British would engage Germany as a means of aiding Russia. The recall of Lord Hallifax, the British Ambassador to Washington, was demanded in the House of Commons because he had practically assured Germany that Britain would not attack as long as the Nazi were preoccupied with Russia.

In Washington, another doubtful front, the government seemed to have weathered the crisis and was settling down to await developments. Fulton Lewis, Jr., describing the political galaxy said: "They sit with their arms folded across their large stomachs and blow wind out through their teeth."

The only thing that can command action in Washington is apropriation bills and the Senate late yesterday slapped another six billion on the American people.

LODGES TO ATTEND CHRISTIAN CHURCH

The Rebekah and Odd Fellow lodges will attend the Morning Worship service of First Christian Church Sunday at 11:00 o'clock.

The Pastor, Lamar Hocker, will deliver a sermon on "The Ties that Bind." The message will be a discussion of those bonds that unite people of all religions.

Mrs. W. G Harsha will render a vocal solo.

Members of the two lodges will assemble in the Odd Fellow Hall at 10:30 and go to the Church in a body.

Walter Wallace to Leave Cameron For Los Angeles

Walter Wallace of the City Cafe will leave Cameron at 8 a. m. Thursday for Los Angeles, California, where he has obtained a position and also will attend school for important work in national defense.

Mr. Wallace has a fine proposition for anyone who cares to go to California. In his car will be room for 3 passengers and by paying a portion of the expense the trip can be made at very little cost.

Mr. Wallace hopes to return to Cameron sometime next year. A brother, now living in Los Angeles has obtained a good position for Mr. Wallace. Many friends here regret his leaving the city and hope he may return soon.

Mrs. Tom Paul who has been visiting relatives in Cameron, has returned to her home in San Antonio.

From Egypt's bondage ot the Plains of Abraham—in quest of LAND!

It was not enough that Moses should deliver his people from the yoke of the Pharaohs—there must be land; their must be a solid foundation upon which a people may worship freely. So man's search for Freedom has been in a large sense a seeking for land. For in reality there can be freedom for no more people that the land can feed—America's riches lie in the abundance of her lands, lands that her people own!

LAND IS WEALTH

What is yours in this world? You have a car, clothes, a little jewelry, and perhaps some cash and securities in the bank. But there is only one durable possession that a man may own, and that is LAND. Is there a part of this American earth that you can call your own?

CHRISTIAN SCIENCE SERVICES

"Probation After Death" is the subject of the Lesson-Sermon which will be read in all Churches of Christ Scientist, on Sunday, Oct. 26.

The Golden Text is: "Take heed, brethren, lest there be in any of you an evil heart of unbelief, in departing from the living God. But exhort one another daily, while it is called today" (Hebrews 3:12, 13.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Keep thy heart with all diligence; for out of it are the issues of life . . . Let thine eyes look right on, and let thine eyelids look straight before thee. Ponder the path of thy feet, and let all thy ways be established" (Proverbs 4:23, 25, 26.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "But the human self must be evangelized. This task God demands us to accept lovingly today, and to abandon so fast as practical the material, and to work out the spiritual which determines the outword and actual." (page 254.)

WALZEL-PRICE

On Tuesday night at 7 o'clock at the First Baptist Church in Cameron, Miss Mary Beth Price became the bride of Carl Walzel.

The church was decorated with beautiful roses. The couple, attended by Edrie Fuller and Victor Walzel, cousins of the bride and groom, stood in front of a candle lighted altar where Rev. C. W. Sanders, pastor of the Baptist Church, performed the ceremony.

The bride wore a black velvet street length dress with black accessories. The maid of honor wore a blue suit with black accessories.

The bride is the daughter of Mr. and Mrs. Dwight Price of Cameron and the groom is the son of Mr. and Mrs. Franklin Walzel of Cameron. Both are graduates of Yoe High School.

Immediately after the ceremony the newly wed couple left for San Antonio where they will make their home and where the groom is employed with the Civil Service.

Japs Laugh at U. S. For Backing Up In Far East Shipping

Every Japanese soldier from Siberia to Indo-China was chuckling today over what he termed a "run out" by the United States in the far east.

There was no way to tell what General Tojo thought of the new policy of appeasement. Japan is apt now to go ahead because she believes the United States will not fight.

In Washington the government denied it had stopped supplies to Vladavostok to appease the Japanese. Recently Roosevelt said he had appeased the Japs for 2 years. That was two years too long.

Shipment of supplies to Russia have been stoped through the sea of Japan. They will now go from Boston to Archangel.

Hitler didn't like the idea and so called upon Japan to stop it. The Japs have succeeded. America has failed again.

GERMANS DENOUNCE PRESIDENT ROOSEVELT

Fifty million American people Monday night heard President Roosevelt reassert the nation's foreign policy and make his first real fighting speech.

According to reports reaching the Daily Herald the White House in Washington was being showered with thousands of telegrams and Stephen T. Early, the President's Secretary, said the telegrams were running 8 to 1 endorsing the Presidents stand.

President Roosevelt was more vigorous in his denouncement of Hitler than at any time since the war began. His speech was bitterly denounced in Berlin in the most turbulent tirade of abuse that has come out of Nazi Germany.

The President was called a liar, a scoundrel, and many other things were said. The Germans resented most the President's statement about religion when he charged that the Swastika would supplant the cross in America if Hitler wins the war.

In Mexico newspapers unamimously approved the President's speech and headlines "To hell with torpedoes straight ahead" were used in many newspapers. The Latin American countries and South American countries were jubilant.

In London the politicians were pleased but the man on the street was disappointed. The average American is disappointed because he does not feel the President will do anything about it. It is one thing to talk brave and another to fight.

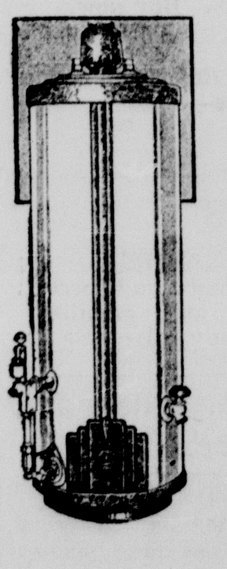
The Home's Cleaning jobs Can be easy for Mother



Operating through the efficiency of a modern gas-automatic water heater your gas service provides a home convenience that probably lifts more household work off Mother's shoulders than any other home service or appliance. Having hot water on tap when and where needed speeds all cleaning jobs along from keeping the children spic and span to cutting down the time usually spent in dish-washing. And this convenience costs only a very few cents a day. See the gas water heaters at your dealer's store or gas company.

What's it got you haven't got in your present automobile?

HERE stands an automobile – *the* automobile, we believe, of 1942.

What's in it to lay claim on your attention? Well, among other things:

A valve-in-head engine – the same type of engine used in every modern airplane.

FIREBALL compression – specially contoured Domite pistons that wring more good out of every drop of gas.

Compound Carburetion† – a constant check and *double* check on gas usage to see that you get both power and range from the fuel you buy.

There are longer-lasting bearings, stouter connecting rods, broadrim wheels that steady the ride and deliver top tire mileage.

There's a torque-tube drive such as you find in America's fastest fighting planes, and soft, gentle all-coil springs that never need any mothering care.

There are ruggedness, dependability, frugal use of gas and oil, and as for *life* and *action* and *ability* – why not see for yourself?

In short – go try out this Buick and see why it is *the* automobile of 1942 – and your smartest buy considering the times.

No other car has ALL THIS FOR YOU IN '42

BURIAL INSURANCE

Of a quality as everlasting as the hills, based on experience that will stand the test of any and all epidemics. Insurance in any organization is only as sound as the judgment used in determining physical fitness of the applicants. Our growth in this field has been both slow and conservative. To show you how carefully we have worked to safeguard your investment with us, we beat the law of averages on deaths in our organization for two years. That is we had fewer deaths per capita than the large old line insurance organizations.

Taking a bed-ridden risk, into an insurance organization is no different from selling merchandise on credit to a party who will never pay. A business which sells on credit to irresponsible persons will certainly perish. IN TIME, an insurance organization which takes bad risks will definitely fall by the wayside. To assure you of our conservative yet progressive steps forward:

AN APPRECIATION OF HOWARD LAWSON

Buckholts lost one of its most promising future citizens last week with the untimely death of young Master Howard Lawson.

Howard was a member of the Senior Class of Buckholts High School. He was reared in the Buckholts community and attended the public school where he had made a host of friends. He served his class as president during his Junior year and was Captain of the first football club organized in Buckholts High School. At the time of his death he was serving in the same capacity.

In addition to being a very valuable member of the football team, Howard was an outstanding player on the basekeball team. He participated in all atheltic events with equal zeal and vigor. One of his favorite pastimes was engaging in amateur rodeo events, and was recognized as one of the best of his fellow competitors. Regardless of the event entered, he participated withonut thought of self or possible injury to self.

He will be missed particularly for his extreme zest for living, his delight in making friends, and in associating with other people. He was esteemed and loved by all with whom he came in contact. Possessing many laudible qualities, perhaps the most outstanding were endless determinations and unexeclled leadership. Perhaps the wonderful quality of utter dependability aided him in his success in everything undertaken.

Those who knew him will remember him as a young fellow with the deepest devotion to his family and his kind consideration for their every wish. No other life of seventeen short years could hold such a wealth of happiness and service to others.

DORIS GLEASON.

CARD OF THANKS

Words falter miserably at what the heart would say in an hour like this. But for the consolation of friends and neighbors who understand, the sorrow that is ours would fall too heavily upon us.

Were it not for the momory, the life that was his, the companionship that was ours and the insipration that is the heritage of us all, life would be empty indeed. We know that a mound of earth where lately the flowers of those who love us, lay in tribute, can cast a long shadow.

The light of understanding streams down to us who sit in the shadows and we are grateful for these sources of strength as well as those that come to us through our friends.

The disappointments of life weigh heavily upon our hearts and they make us strong. It is through adversity we know the contrasts and appreciate day because we have seen the night.

Ours is the memory few may know. The full life, the courage, the years that brought us the inspiration of our son, Howard, will be for us and for others a beacon to guide us always to the cradle of our better selves.

We want to remember each one who came to us in those dark hours of our greatest sorrow. For each word, for each act of kindness or word of sympathy, we will be eternally grateful. We thank those who gave flowers to express their sympathy and all who in any way had a part in helping us bear the burden.

Mr. and Mrs. I. C. Lawson.
Kathryn Lawson.
Frances Lawson.
Mr. and Mrs. J. T. Kelly.

A TRIBUTE TO A FRIEND

"We wonder why the things that are, are not as the things that were."

Then realize, the Azrael of death has descended among us, and taken from our midst, Howard Mac Lawson.

Grief and sorrow have engulfed us. Sombre days lie ahead for us in Buckholts. Truly the mortal Howard is dead, but his spirit will live on and on.

Whenever I see a game of football, I shall think of the way Howard p'ayed it. His skill, speed, courage and power as exhibited on the gridiron.

In the Dodeo arena, especially, will his spirit carry on. When the chute gate is opened, I shall see Howard ride out, with a tight grip on the saddle and determination in his eye.

It is truly said, "all the world loves a winner." Howard was indeed a winner in everything he undertook, work or play. He had the courage and the determination to carry out whatever he undertook. Indeed he was loved by all. This was shown by his popularity and distinctions bestowed by his friends, during his life time.

As I sat by his bier, and heard the song "I am Heading for the Last Round Up," and looked upon his lifeless body and saw his boots and spurs by his side to be his as he roams the range of his Heavenly Boss, I thought nothing could have pleased him more than this. A true Texan indeed, to the last. Had he lived, no height would have been too difficult for him to scale.

I loved "Punkin," as he was affectionately known to his friends. It was with a sense of pride and effervesence that I would sit in the grand stand of a rodeo and watch him contest a wild steer or a horse, and remember the time I taught him to ride his first pony.

The fog of grief and remorse has evaginated about us. Only time may lift and dispel this mist of sorrow, yet we know the pain of it will ever be present to be keenly felt through the course of our time.

No eulogy could flatter him; no epitaph too eloquently inscribed, no obsequy too memorial, no obituary can ever recite the true deeds of courage and kindness performed by Howard in his short but beautiful life.

The sound of the dirge of October 17, 1941, will long echo in the hearts of the multitude gathered to pay their last respects to their friend and loved one.

The Trumphet of the Lord has beckoned mortal Howard to his celestial Kingdom in the Heavens above. Time may never dim this beautiful memory of one we loved so dearly, but only future time when we all have passed into oblivion, will the memory of Howard lapse.

I loved Howard because he was the type of boy everyone admires. A truly All American Boy. lover of athletic events and a winner in all of them. Blended with his courage and daring was his fortitude inherited from his forebears. Deep in his soul was the sense of fair play, honesty, obedience, frankness, sincerity and bravery, transmited to him by his parents.

Howard's qualities were manifsted in his love of life. Especially was this emphasized in his natural love and interest in horses, cattle and dogs. Show me one who loves these three and I will show you one who loves and is loved by everyone.

It is with reluctance akin to deep sorrow that I say, farewell, Howard. You have gone where good cowboys go. You have received your reward, you are the winner. We who knew and loved you are the losers.

May the star that guided you through your short span of years shed its light like a benediction into the life of some other who may serve as an inspiration as did you.

SETH NEWTON CORLEY.

YOEMEN DEFEATED BY SUPERIOR DUCK TEAM

The Cameron Yoemen lost a football game Friday night to a superior team, the Taylor Ducks. The score was 7 to 0.

The fighting spirit of the Cameron team lost nothing and may have scored a victory as dramatic as any we have seen in years.

It was the first test for the two teams, both having rolled up high scores over weaker oufits. Meeting each other with the chips down, the Yoemen did not have what it takes to win. Their chances for the District title are definitely out because hey face a better ball club next Friday night when they meet the Killeen Kangaroos in Killeen.

It was a game in which nothing the Yoemen tried worked. Their errors were numerous. Not even the loud speaker system would work and after the first quarter no information could be broadcast to the some 5,000 fans who made up in Yoemen stadium the largest crowd seen in its history.

The Yoemen should have scored two touch downs and but for a break in Taylor's favor in the second quarter the Ducks would not have scored at all.

Bobby Hays, who made the mistake of tossing a pass to Bob Krause in the Rockdale game, tossed one over to Glenn Zeischang, who played a fine game at center for the Ducks and Taylor got the ball on Cameron's 32 yard line. Fred Seale, a bruising Duck Back, got loose and took the ball to the 14 yard line. On the next play Kautz made 3 yards and got a first down on the 3. Big Bob Salach who turned in a great game for the Yoeman, broke through and dropped Seale for a 2 yard loss on the next play, but Kautz, the fastest back in the Duck field, would not be denied. He did what Cameron failed to do in the last quarter by waiting until the hole opened in the line and went through for a touchdown. Hill kicked goal

Cameron threatened to score in the third and fourth quarters. On a sustained drive the Yoemen drove to the Duck 36 when Nicholson and Torno carried the ball to the Taylor 39. Hays completed 2 passes to George Michalka who put the ball on the Taylor 18. Cameron then picked up 11 yards on three tries. Instead of carrying the ball over the line, on fourth down with the goal but a yard or so away, the Yoemen called an end run and Hays was thrown for a 10 yard loss and the ball went over.

Zeichang stopped another Cameron drive by intercepting a Yoemen pass on the Taylor 35. Hays got away for a nice run to put the ball on the Taylor 47 before he passed to Michalka for substantial gains, preceeding the intercepted pass.

A little later the Yoemen died on the Taylor 42 as Hays and Wilkinson combined to advance the ball. The threat was stopped when Tiemen got the ball as the Yeomen fumbled on fourth down.

The Yoemen line was a thing to behold with Owen Stidham, big blonde tackle, rolling the Ducks all over the field. Homer Terry was a stand out for Cameron. The Yoemen ends looked bad throughout the evening and the stout offensive play of the Taylor ends broke up most of the plays Coach Wood had figured out for the game.

The Ducks gave a fine demonstration of down field blocking and were able to score their touch down on straight football. The Ducks attempted only 3 passes and all were incomplete. The Yoemen completed 3 passes out of 10 and made 8 first downs while Taylor made 7.

ANDERLE-RICHTER

Miss Helen Anderle became the bride of Rayond Richter, October 25th at 8 a. m. at thhe St. Monica's Church of Cameron.

Rev. Duda performed the ceremony. The altar was decorated with fall flowers and white tapers burned in candleabras which lighted the altar. The birde was gowned in a beautiful white slipper satin basque dress with a sweetheart lace neck, long full sleeves which fitted to a point at the hands, the skirt was floor length and gracefully fitted. Her veil of illusion was attached to a high head dress encrusted with seed pearls, the long train was bordered with the lovely Chantilly lace. The bride carried a bouquet of white chrysanthemums. Miss Theresa Anderle, sister of the bride, was maid of honor and was gowned in a light blue taffeta dress. It was fashioned with a shirred basque and long graceful skirt. She carried an arm bouquet of pink chrysanthemums. Joe Meek was best man. Alvin Anderle, brother of the bride and Adolph Richter, brother of the groom, were ushers.

After the ceremony a breakfast was served at the home of the bride's parents for the bridal party and for the intimate families. The couple left immediately after the breakfast for an unannounced wedding trip.

The bride is a graduate of Yoe High School and is at present employed with the Southwestern Bell Telephone Company. The groom is engaged in farming near Cameron where the couple will make their home upon their return from the wedding trip.

You can't fail to make
perfect frosting
the KARO way!

For frosting that's fluffy, flavorful—frosting that doesn't get sugary and crack—frosting that piles up nicely, looks beautiful and cuts smoothly—follow this foolproof Karo recipe:

PERFECT KARO FROSTING

3 cups granulated sugar
½ cup Karo (red label)
¾ cup water
1 tsp. vanilla
½ tsp. salt
2 egg whites

Cook sugar, Karo, and water over low heat, stirring only until sugar is dissolved. Then boil rapidly, without stirring, to 242 degrees F., or until syrup forms a firm ball when a small amount is dropped in cold water. Add vanilla and salt to egg whites, and beat until stiff but not dry. Pour syrup slowly in a thin stream into beaten egg whites, beating constantly. Continue beating until mixture will stand in peaks and is of consistency to spread. Makes enough frosting for filling, top and sides of 3 (9-inch) cake layers.

GERMANS LOSE 60 PER CENT OF ARMIES

The German armies have lost the battle of Moscow.

The offical Soviet news agency announced shortly before noon today that the struggle for possession of the Red Capital ended with the German armies almost totally destroyed caused by continued losses.

The Germans have lost 60 per cent of their men killed and wounded in the battle of Moscow and the remaining forces are said to have dug in for the winter, but are being counter attacked by the Russians.

The Russian High Command while claiming that Moscow is now safe, indicated that the situation is still serious as the Germans began an offensive further south in the direction of the Caucasus oil fields.

Winter, responsible for the defeat of Napoleon who marched upon the city in 85 days, had come to the aid of the Russians and now Hitler's troops face a bitter 6 months under severe condtions.

The situation around Moscow as reported by the Soviet was partially confirmed by military experts in London.

On the domestic front in the United States the Captive coal mines were still closed, but John L. Lewis had agreed to confer with government officials.

85c Fare Can Be Had For Football Special Friday Night

W. DuBois, Santa Fe Agent, called the Daily Herald shortly after noon Wednesday and announced that a fare of 85c for the round trip to Killeen can be made over the Santa Fe if 300 tickets are sold.

If 200 tickets are sold a fare of $1 must be charged.

So far as known the Athletic Council has taken no action in regard to a special train which would remove dangers from the trip over for the children and others who want to see the game.

If the crowds go in automobiles, travel will have to be done over treacherous roads and many citizens were asking for a special train and if the Council would take responsibility it could be arranged although the time is very limited.

The Council will get only $40 for the Killeen game and may not be interested in seeing a large crowd but the people of Cameron want to see their team play and it is nothing but fair that Killeen should make something out of the game.

Mr. DuBois said that the running time would be 1 hour and 35 minutes.

Special Train Would Be Safest Say Many Here For Friday Game

A special train to the Cameron-Killeen game in Killeen on Friday night is being asked by a number of football fans.

They point out the safety involved in preference to the hazards of the highway over crooked roads and unfamiliar ways.

A new road from Belton to Killeen is under construction and is also being topped. The old road is in a bad state of repair and very dangerous to drive at night if you are not familiar with the route.

It was believed some attention might be directed to the train idea and The Herald passes the suggestion along by request.

The train would have to run early because it is 60 miles to Killeen and seating accomodations at the field are poor.

YOEMEN WORK

Getting ready for their game with Killeen Friday night the Yoemen began work Monday. Salach was injured in the game with Taylor which the Yoemen lost 7 to 0. The team is built around Salach to a large extent. The game Friday may decide who is to be all conference center when Carlisle of Killeen and Salach meet.

The Yoemen are the underdogs Friday night. That is a favored role—sometimes.

RENEW YOUR LICENSE

Driver's licenses are renewable at the Sheriff's office in the Court House. Those licenses between the numbers 1—450,000 are the ones that should be renwed. You have until December 31, 1941, to renew them.

Mr. and Mrs. Jack Wallace, Jack Walters, Charlotte and Sydney Studhamh visited friends and relatives in Cameron over the week end.

THE STATE OF TEXAS

TO:

The nature of said suit being substantially as follows, to-wit:

Suit for partition of Lots Number Three (3) and Four (4), in Block Numbed Forty-two (42), in the town of Buckholts, Milam County, Texas.

Issued this the 20th day of October, 1941.

Given under my hand and seal of said Court, at office in Cameron, Texas, this the 20th day of October A. D., 1941.

W. C. (Nig) MOODY,
Clerk District Court, Milam County,
Cameron, Texas. 28-4t

British to Use Iran Route for Red Aid

General Wavel was holding a series of conferences on aid to Russia through Iran.

Here too the British are reported to have massed an army the strength of which has not been determined.

The Germans now launching a new attack on Moscow are said to be preparing to attack in the near East where the oil fields are located. If this develops the British will be facing another Dunqurque unless their armies are guauged on a larger scale than has been true of their miserable efforts in the past.

Japs Say Speech of Knox Is Untimely

The Japanese Saturday denounced Secretary Knox's address as untimely and very harmful at a time when there was still some hope that negotiations might be resumed between the countries.

The far Sastern situation was still tense.

In Russia the Soviet armies were still struggling with hope of eventually succeeding against Germany. Winter had come to the Muscovite pains and the German offensive had been stopped. The Nazi were reported organizing another large scale operation.

The Yoe High Homemaking girls are attending a rally in Hearne today.

Joe Petty of Sharp was a Cameron business visitor Saturday.

Russians and Japs Fight in Clash on Border of Siberia

A Russian news report said Japanese soldiers had attacked a Russian patrol along the Siberian border but were driven back with losses.

A news broadcast said that the Japs were preparing to attack the Burma road. It is over this road, closed by the British, that China receives supplies.

If Japan attacks Burma it will be an attack on Britain. The English would resist only if attacked. America would not be obliged to do anything and he Japs know it. General Toho is preparing to carry out the Japanese policy of expansion in the far east.

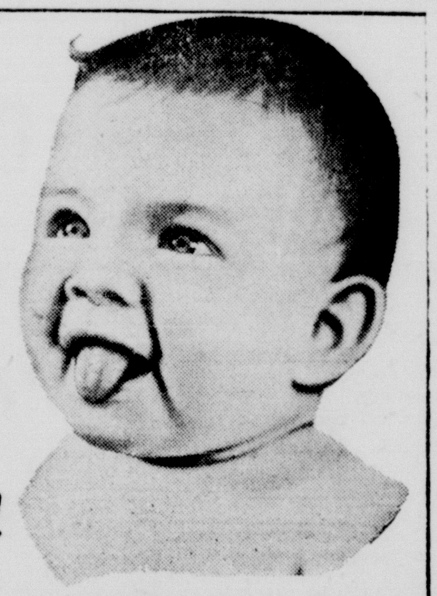
These advertisements advising our customers on the use of gas service were selected among the best examples of public utility advertising during the past year.

(a message especially for mothers)



Yes Sir, he's "tops"!

. . . and his welfare is an important responsibility.

THIS is not an ordinary advertisement.

It offers neither goods nor merchandise for sale.

Its purpose is to remind you of the added obligation of parents during the winter season. At the same time we are ever mindful of our own responsibility in keeping your gas service dependable so that you may have the protection of adequate heat to safeguard your family's health.

You see, we too, have children.

We know of the anxious hours in every mother's life when illness threatens those she loves. We have watched with alarm a child's mounting fever of serious illness that started as a simple, common cold. With sleepless, fear-filled eyes we've watched through the night into the sunrise of a new day—as across our worried mind flashed that grim published warning—one death every four minutes from pneumonia! It was then that "prevention is the best remedy" impressed us with its full significance. It was then we recognized the vital importance of guarding against the simple, common cold.

Children live in a different world

...and the climate is 5 to 10 degrees colder!

DON'T GIVE A COLD AN EVEN BREAK!

Fight the dangerous common cold this winter with these simple rules: (1) Don't "huddle" but provide comfortable temperatures in every room so that quick body-chilling changes will be avoided at all times; (2) Introduce sufficient oxygen-laden air into the home through adequate ventilation; (3) Keep connecting doors open so that a natural circulation of warm air prevails from one room to another; (4) If you should "catch cold" consult your family doctor before it has an opportunity to undermine your health.

THE FLOOR is the most popular winter playground. Have you ever asked yourself, "How is the *climate* down there?" So far as healthful comfort is concerned, it is a different world at floor-level temperature than it is in the comfort zone in which grown-ups move about in the household.

In guarding your family's health against winter illness, give serious thought to proper heating. Give your floor the "Health Test." Note the temperature at floor level and compare it to the temperature at five-foot heights. You'll find it to be 5 to 10 degrees COLDER at floor levels, depending upon the manner in which you heat your home.

Heat your entire home and live all over it this winter. Provide adequate heat *in every room* and at all times avoid danger of uneven, unhealthful temperatures.

HEAT YOUR ENTIRE HOME FOR YOUR HEALTH'S SAKE

Children live in a different world

Children spend a great deal of time on the floor at temperature levels far below those at the "breathing line" of adults.

Because heat rises, room temperatures at floor levels are 5 to 10 degrees COOLER than at heights of five or six feet, depending upon the manner in which your home is heated.

Don't give a cold an even break! See to it that temperatures at floor level are healthfully comfortable for your children during the winter season.

AT YOUR ENTIRE HOME FOR YOUR HEALTH'S SAKE

ABOUT A YEAR AGO when the above advertisements were published we did not know they would be judged among the best public utility advertisements of the year. However, we knew, beyond question, that the message they carried was of vital importance to our customers in safeguarding their family's health during the winter. With another winter approaching we urge you to review these two advertisements in the interest of your family's welfare. Apply the simple, logical formula of "Heating your entire home for your health's sake" as a protection against the dangers of winter illness. Play safe . . . DON'T GIVE A COMMON COLD AN EVEN BREAK!
